AirWatch Self Service Portal .....	15

**Caution! Do not install AirWatch *Agent* on your personal Android.**

Once your device is enrolled, you will receive an email similar to this:

**You must have a Google Play Store account associated with your Android to proceed.**

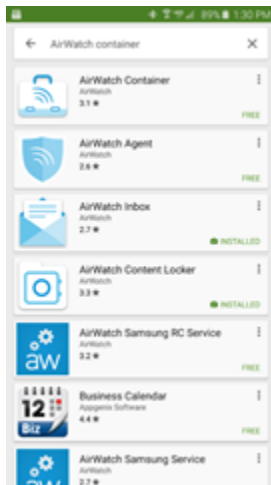

## Employee Owned Android

### AirWatch Container

- 1.) Open Play Store application and search for AirWatch Container.

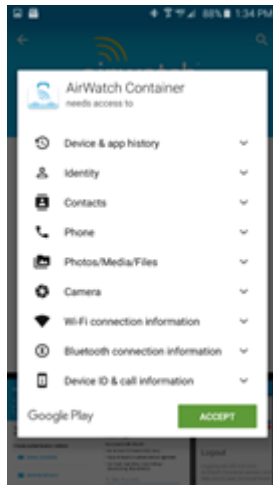

**Caution! Do not install AirWatch *Agent* on your personal Android.**

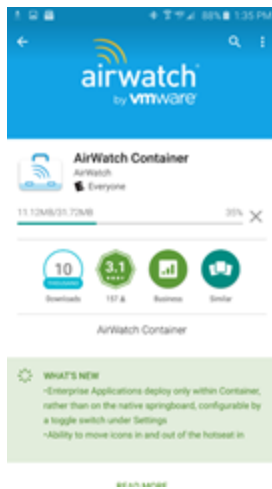

- 2.) Press Airwatch Container.

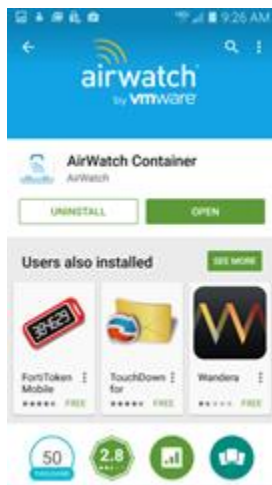

- 3.) Press INSTALL.

4.) Press ACCEPT.

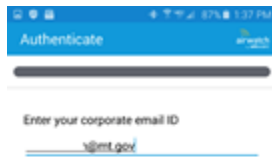

5.) Allow Airwatch Container to download and install.

6.) Press OPEN.

- 7.) Press EMAIL ADDRESS.

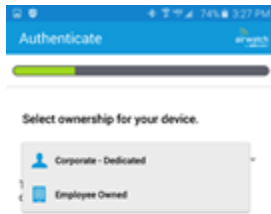

- 8.) Enter your email address, then press CONTINUE.

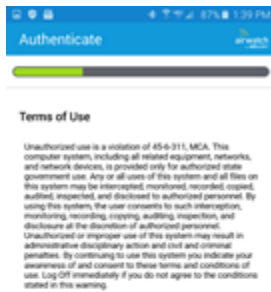

- 9.) Enter your username (C##### - don't preface this with state\ ) and STATE AD Password, then press CONTINUE.

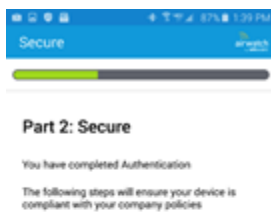

- 10.) CONTINUE Choose **Employee Owned**, then press CONTINUE.

- 11.) DECLINE ACCEPT Press ACCEPT.

**Accepting these Terms of Use applies only to the AirWatch applications and Corporate Data contained in them. Your device and personal applications are not affected.**

- 12.) CONTINUE Press CONTINUE.

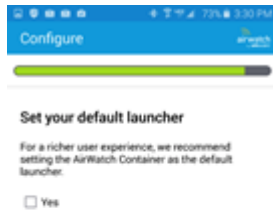

13.) Create an eight-character Passcode as described, then press CREATE.

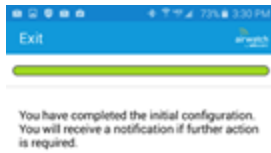

14.) Press CONTINUE.

15.) Unselect YES.

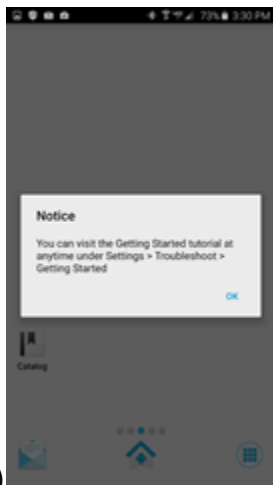

16.) CONTINUE Press CONTINUE.

17.) EXIT Press EXIT.

18.) Select Don't show again, then press done.

19.) Press OK.

20.) Press the "nine squares" button in the bottom right corner.

## AirWatch Browser

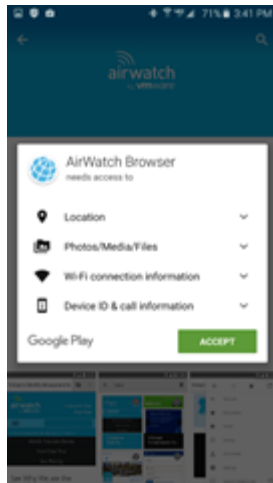

21.) Touch AirWatch Browser.

22.) Press INSTALL.

23.) Press ACCEPT.

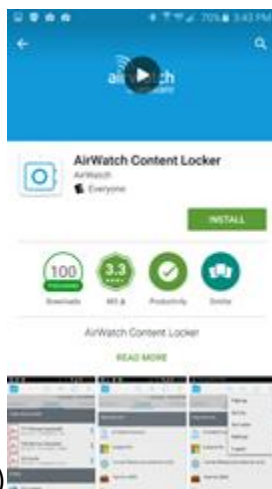

24.) Press your device's Back button.

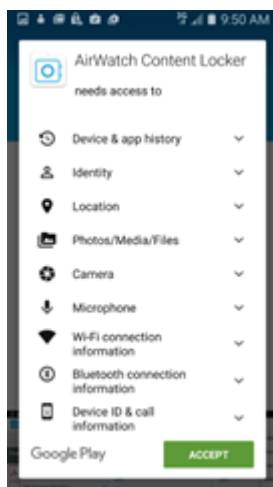

## AirWatch Content Locker

25.) Touch Airwatch Content icon.

26.) Press INSTALL.

27.) Press ACCEPT.

28.) Allow AirWatch Content Locker to download and install.

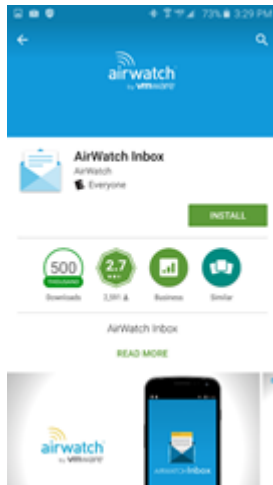

29.) Press your device's Back button.

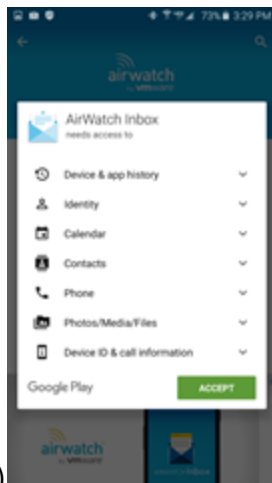

## AirWatch Inbox

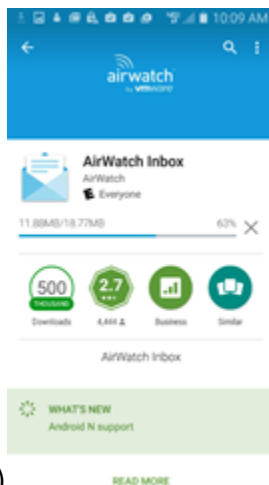

30.) Press AirWatch Inbox icon.

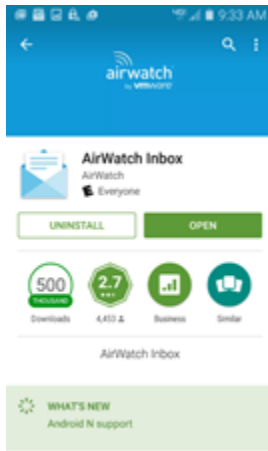

31.) Press INSTALL.

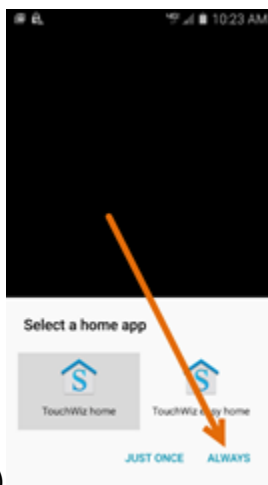

32.) Press ACCEPT.

33.) Allow AirWatch Inbox to download and Install.

- 34.) Press Open. Your email will take just a couple of minutes to synchronize. Refer to [Android AirWatch Inbox User Guide.pdf](#) (provided as an additional attachment) for information regarding how to make best use of and further configure (optional) AirWatch Inbox.

- 35.) This screen may appear following a restart of the phone, pressing the home button any time after AW Container is installed or after a few moments of inactivity. Choose TouchWiz Home (default) and press ALWAYS to leave your device's icons as delivered. Touching ALWAYS will spawn a message for you to confirm this setting, touch OK at this message.

### Remove your previously configured State Email Account

If your device was configured with a State email account previously, remove this account.

- 1.) Open your Settings application (Not Google Settings).
- 2.) Scroll down to Accounts.

- 3.) Touch Accounts to open this section. (Note 5, S6 and S7) Other Android devices normally have your accounts listed here without opening the Accounts folder described above.

- 4.) Touch the account that you want to remove. Usually this is "MicroSoft Exchange ActiveSync".

- 5.) Touch your email address.

- 6.) Touch MORE or the 3 vertical dots in the upper left corner. (if niether of these options are available, Some older Android devices allow you scroll to the bottom of this screen to see Remove Account".)

- 7.) Touch Remove account.

## AirWatch Self Service Portal

Accessing <https://aircon.mt.gov/MyDevice/> allows customers to perform actions to assist themselves with their AirWatch Registered device(s). Clearing Single Sign On (SSO) Passcode, if this is forgotten, or Enterprise Wiping (removes only the AirWatch Applications) the device if it is lost may be the most used functions.
